

Sponsored Place Policy

Where possible Churchill preschool will fund/help fund sessions for children who would benefit from attendance at preschool, as advised by a third party and where payment by the child's parents/carers is not possible.

- Third parties are health visitor, social services, and doctors.
- Each child (referred case) will be considered on an individual basis.
- The final decision will be taken by the preschool leader after discussions with the committee.
- Factors to take into consideration when deciding whether the preschool can accept and provide funding are:
 - Availability of finance
 - Staff ratios
 - Impact on all children involved
 - Number of current sponsored places
