

Student Placement Policy

We recognize the quality and variety of work which goes on in a pre-school makes it an ideal place for students on placement from school and college childcare courses to gain experience.

Students are welcomed into the pre-school on the following conditions:

- The needs of the children are paramount. Students will not be admitted in numbers that would hinder the essential work of the pre-school.
- Students must be confirmed by their tutor as being engaged in a bona fide child care course which provides necessary background understanding of children's development and activities.
- Students required to conduct child studies will obtain written permission of the child to be studied
- Any information gained by the students about the children, families or other adults in the pre-school must remain confidential.
- Students will not have unrestricted access to children. Students will not be left alone with children at any time.
- All students will have an induction and will sign to confirm this on completion.
